V. Business: Discussion

Item A: Discuss City Mitigation Action Plan (MAP)

San Patricio County Emergency Management Coordinator William Zagorski went over the history of the MAP process. Ingleside on the Bay's (IOB) MAP was reviewed. He explained the need for a MAP is to qualify for grants from the state for mitigation purposes. Disaster funds are not based on whether the city has a MAP.

RJ Thomas from the Coastal Bend Council of Governments (CBCOG) stated the Regional Plan is in the process of being updated and IOB can be included with the regional plan during that process. The process should start in the summer of 2009; IOB can start compiling the information needed by the CBCOG now. Mayor Gillespie stated action needs to be taken at a future Council meeting to officially request to be included in the Regional plan.

Council agreed the best thing for the City was to be included in the regional plan and start working with them.

The Hazard Mitigation Planning for Local Governments Fact Sheet was reviewed and discussed.

- VI.** Mayor Gillespie adjourned the workshop at 6:23 p.m.
